1. The Republic of Ghana and the United States of America acting through the Millennium Challenge Corporation (“MCC”) have entered into a Millennium Challenge Compact on August 5, 2014 under which MCC will provide funding to the Government of Ghana (the “Government”), in an amount not to exceed Four Hundred and Ninety-Eight Million, Two Hundred Thousand United States Dollars (US\$ 498,200,000) (“MCC Funding”) to facilitate poverty reduction through economic growth (the “Compact”). Pursuant to the terms of the Compact, the Government committed to provide funding as a Government contribution to support implementation of the Compact in an amount equal to no less than seven and one-half percent (7.5%) of the amount of funding provided by MCC in the Compact (the “Government Contributions”).

2. The Government of Ghana (“GoG”), acting through the Millennium Development Authority (“MiDA” or “MCA Entity”), intends to apply a portion of the MCC Funding to eligible payments under a contract for which this Request for Proposals (“RFP”) is issued. Any payments made by the MCA Entity under the proposed contract will be subject, in all respects, to the terms and conditions of the Compact and related documents, including restrictions on the use and distribution of MCC Funding. No party other than the Government and the MCA Entity shall derive any rights from the Compact or have any claim to the proceeds of MCC Funding. The Compact and its related documents can be found on the MCC website (www.mcc.gov) and on the website of the MCA Entity.

3. The goal of the Compact program is to reduce poverty through economic growth in Ghana. The objectives of the Compact program are to

- (a) Increase private sector investment and productivity and profitability of micro, small, medium and large scale businesses;
- (b) Increase employment opportunities for men and women; and

- (c) Raise earning potential from self-employment and improved outcomes for men and women.

The Program consists of six (6) projects: (i) the ECG Financial and Operational Turnaround Project; (ii) the NEDCo Financial and Operational Turnaround Project; (iii) the Regulatory Strengthening and Capacity Building Project; (iv) the Access Project; (v) the Power Generation Sector Improvement Project; and (vi) the Energy Efficiency and Demand Side Management Project.

MCC's assistance will be provided in a manner that responds to constraints to economic growth by aiming to improve the reliability and quality of power in Ghana.

The Compact Program will be executed over a period of five (5) years upon Entry into Force (EIF) of the Compact. The Compact entered into force on 6th September, 2016.

4. This RFP follows the General Procurement Notice that appeared in dgMarket on and UNDB Online on 20th April, 2017, the MiDA website www.mida.gov.gh on 20th April, 2017, and local newspapers, Ghanaian Times and Daily Graphic on 24th and 25th April, 2017 respectively.

5. Resettlement and Community Engagement (“RAP”) Consultants: MiDA intends to award multiple Indefinite Delivery/Indefinite Quantity (“IDIQ”) Head Contracts pursuant to this RFP, which provides for the pre-qualification of Consultants who have the capabilities to provide a defined range of services. The award of IDIQ Resettlement Head Contracts pursuant to this RFP is intended to make available to MiDA pre-qualified Consultants with the skills, resources and expertise to perform a wide range of technical and related consulting services in the area of resettlement and community engagement. Such consulting Services will support MiDA in the application of Environmental and Social Performance (“ESP”) Standards prescribed by the Compact.

6. The MCA Entity now invites proposals from legally constituted consulting firms to provide the consultant services referenced above (“Proposals”). More details on these consultant services are provided in the Terms of Reference.

7. This RFP is open to all eligible entities (“Consultants”) who wish to respond. Subject to restrictions noted in the RFP, consultants may associate with other Consultants to enhance their capacity to successfully carry out the assignment.

8. MiDA anticipates awarding approximately four IDIQ Head Contracts in response to this RFP, although that number may be adjusted during the proposal evaluation phase at MiDA's sole discretion, based on the quality and pricing of the offers received, in order to meet program needs. The IDIQ Head Contract awards for Resettlement and Community Engagement (RAP) Consultancy Services will be for a term of three (3) years.

The RAP Consultants awarded IDIQ Head Contracts pursuant to the RFP will be expected, on receipt of a Request for Task Order Proposal (“RFTOP”), to submit Technical and Financial Proposals for Task Orders in order to be considered for award of Task Order.

Each IDIQ RAP Head Contract holder is assured of and will be given the initial Task Order free of competition as the “consideration” for the IDIQ Head Contract, and thereafter each specific activity will be subject to competition. However, when competition is not feasible or in MiDA’s best interest (such as when only one consultant has available capacity), Task Order will not be awarded on competition but to IDIQ Contract holder in good standing. When awarded in competition, Task Orders will be awarded under a Quality and Cost Based Selection (“QCBS”) method, or depending on the nature of the assignment, other selection methods such as Quality Based Selection (“QBS”), at MiDA’s discretion. The IDIQ RAP Head Contracts for RAP Consultants shall cover:

- (a) ECG Operational areas in Accra East and Accra West, and
- (b) NEDCo Operational areas, including but not limited to Tamale and the surrounds including Bamvim, Fuo, Islamic and the AgDevco Connection Project.

9. The IDIQ RAP Consultants will be selected for a Head Contract under the **Quality and Cost Based Selection (QCBS) method**, the evaluation procedure for which is described in sections of the RFP in accordance with “MCC Program Procurement Guidelines” which are provided on the MCC website (www.mcc.gov/ppg).
