

CLARIFICATIONS FOR

BID REFERENCE: RFP: 5750100/RFP/QCBS/07/19

S/N	Ref	Question	Answer
1	Reference is made to RFP Part 1, Section I, Clause 5.6, and Section V (Terms of Reference)	<p>It is understood that the selected Bidder shall undertake a review of progress made on the implementation of activities under the Ghana Power Compact Projects.</p> <p>It is furthermore understood that this current procurement shall assess the performance of “The Ghana Power Compact Program” in relation to its objectives as a whole, and not assess the specific single activities themselves.</p> <p>Please confirm that a Bidder, having taken part as Consultant on previous activities in connection with a Specific Compact Project, shall not be creating a conflict of interest while performing the tasks foreseen in this current procurement.</p>	<p>There is not a conflict of interest for this assignment. The assignment is not activity specific so Consultants who have carried out work for MiDA can compete for this assignment.</p>

2	Section IV. A. Technical Proposal Forms	What is the correct format for the CV requested and where would you place a signature pursuant to the RFP FAQ's - CV's not in correct format and/or not signed	Please refer to Form TECH- 11. Curriculum Vitae (CV) for Proposed Key Professional Personnel , on page 60 of the RFP for a format for a CV.
3	Section IV. A. Technical Proposal Forms	Do you require a wet signature for signage on any submittal documents? I have a Ghana Investment Tour project currently in Ghana with employees on ground that can print out and deliver all necessary documents in person to office in Accra and I can email a signed copy of any submittal forms required. Would this action be permitted?	Please refer to the Letter of Invitation (Please note that electronic Proposals shall not be accepted), as well as the Instructions to Consultants clause 17.3 and the specific clarifications with respect to ITC clause 17 in the Proposal Data Sheet. In respect of the signature on you may provide an original or digital signature – there is a sentence on forms TECH-1 and FIN-1 stating “We confirm that our digital/digitized signature is valid and legally binding.” This sentence must be incorporated on your TECH-1 and FIN-1 submission letters if you are using digitalized signatures.
4	Reference is made to RFP Part 1, Section I, Clause 5.6, and Section V (Terms of Reference)	As PwC is already involved in execution of one of the projects under this MCC Compact (the Energy Efficiency and Demand Side Management Project), we would like to understand if we can bid for this opportunity for providing services for mid-term and final evaluations of this program.	Refer to S I 1 Above
