1	Fence Wall	I will like to know if the Fence Wall Construction BOQ is part of the Main BOQ. This is because I can see that of the Sceptic Tank as Provisional at the end of the Main BOQ but didn't see anything specific about the Fence Wall.	<p>There was a limited provision for a Fence Wall in the Drawings but no specific provision or Bill was included in the Main Bills of Quantities.</p> <p>Bidders are to price as have been provided in the Bidding Documents and the Bills of Quantities.</p>
