

CLARIFICATIONS FOR THE PROCUREMENT
CONSTRUCTION OF SUSTAINABLE ENERGY SERVICE CENTERS (SESCs) VEHICLES
REFERENCE: 5620100-05/TC/RFQ/11/21

Date of Update: 22nd November 2021

SI	Ref	Clarification Question	Answer
1.	Section 3: Technical Specifications & Compliance Declaration	<p>Clarification, is there be option to quote petrol engine also.</p> <p>Diesel quality is very bad in Ghana which affects the performance of vehicle, lot of us stopped bringing the diesel vehicles.</p> <p>If option is provided then we can quote.</p>	All the Sustainable Energy Service Centers (SESCs) require the Diesel engine and not the petrol engine.
2.	Date of Submission	The tender indicated 3 rd December 2021, as submission date. Please note that the said date is a holiday, as such most offices including MiDA and Japan Motors may not be operating on the said date. Kindly reschedule date to the day before or move to the following week.	The submission day will now be Monday 6 th December at 15:00 hours.

SI	Ref	Clarification Question	Answer
3.	Invitation for Quotations Clause 6	I would also like to know if bidders would sit for an opening on the submission date?	The RFQ clearly states that "Sealed quotations will not be opened in public." However, there will be Minutes taken of the Opening of Quotations and these will be issued to all those who submitted a quotation as soon after the opening as possible.
